4. Heat heavy cream to boiling. Set aside to cool for 15 minutes.
5. Whisk egg yolks with sugar and salt (mixture will be thick and sandy).
6. Whisk cooled cream into egg mixture a little at a time until completely combined.
7. Return mixture to pot and heat over low heat, whisking constantly, until mixture thickens and just begins to bubble. Remove pot from heat immediately. Cool mixture to room temperature.
8. In stand mixer with paddle attachment, combine cream cheese, vanilla, and lime juice.
9. Paddle in cooled egg/cream mixture until completely smooth.
10. By hand, gently add Strawberry Margarita Swirl.
